2016 Tree Sale

Dear Parents and Scouts of Troop 272:

The Tree Sale Committee has been busy planning the 2016 Annual and only fundraiser. The proceeds of this sale fund Troop advancements awards, the Troop charter, and various capital expenditures like camping equipment, first aid kits, etc, in addition to most of the summer camp costs. All Scouting families are needed to run the sale smoothly and the Troop Committee stresses that this is a required activity for both the scout and their registered parent.

All families (parent and scout) are expected to work at the lot set up on Saturday November 19, 2016 from 7:30am to ~11:00am. All Scouts and their registered parent(s) are also expected to unload the trees on Saturday, December 3, 2016 from 7:30am to ~11:00am. If you have a pick up truck and can help with moving supplies on this date please let us know. If you cannot help with one or both of these dates please indicate it on your conflicts email. You will be scheduled to make up this time.

In order to create a schedule that is convenient for as many as possible you must contact Lauren Dillaye-McKinney no later than Wednesday November 2, 2016 with dates that you are **UNAVAILABLE** to work. E-mail messages are the only acceptable means of communication.

Email to: **laurendillayemckinney@gmail.com**

This year's shift will be equally distributed week by week as we rarely have any trees left beyond the week before Christmas. After the schedule is set it will be your responsibility to find a replacement. You must switch with someone with comparable physical capabilities and if a parent is needed, they must also be registered and cleared with Cradle of Liberty Council.

Please complete the enclosed permission form signed by **Wednesday, November 2, 2016**.
